### Lead Faculty

Dujeepa Samarasekera  
Director, CenMED  
NUS Yong Loo Lin School of Medicine  
National University Health System

### Facilitators

Denise Goh  
Associate Professor  
Dept of Paediatrics  
NUS Yong Loo Lin School of Medicine  
National University Health System

Alfred Kow  
Assistant Professor  
Dept of Surgery  
NUS Yong Loo Lin School of Medicine  
National University Health System

### Course Description

Today, an outcome-based education (OBE) model is strongly advocated for the design and delivery of 21st century health professional curriculum: the professional competencies required for future practice are defined in terms of the intended learning outcomes (i.e. the knowledge, skills, attitudes) formulated from and aligned to the end-product capability (i.e. the desired attributes of the end-product) identified. Learners need to provide evidence of having acquired the desired professional competencies by passing examinations which use assessment tools (e.g. MEQs, OSCEs) designed for such a purpose.

However, in the clinical setting (i.e. in the work environment), it is recommended that learners need to show evidence that they have acquired desired professional competencies by independently performing a given set of professional tasks, after a period of learning under supervision. Such 'professional tasks' performed by the learner independently are referred to as the Entrustable Professional Activities (EPAs). Workplace-based assessments tools (e.g. Mini-CEX, DOPS) should be used for assessing EPAs.

### Workshop Objectives

This workshop will:

- discuss the key features of EPAs  
- provide participants with hands-on experience on how to formulate EPAs in their respective disciplines  
- describe how to develop a blueprint for EPAs closely aligned to the professional competencies identified  
- create opportunities for participants to practice blueprinting for the EPAs formulated in the different disciplines.

### Learning Outcomes and Entrustable Professional Activities (EPA)

**19th May 2015 (Tuesday) 8.30am – 5.30pm**

#01-01B, Level 1, Centre for Translational Medicine (CeTM)  
Block MD 6, 14 Medical Drive, Yong Loo Lin School of Medicine  
National University of Singapore

#### Registration Fees

- NUHS staff - S$160*  
  (including staff on clinical faculty / adjunct scheme)  
- Others - S$180*  
  *Fees are inclusive of GST

Registration is on a first-come-first-served basis

To register, please contact Ms Lee Ai Lian at CenMED@nuhs.edu.sg  
Phone: (65) 6516 8123 Fax: (65) 6872 1454

Closing date of registration: 19 March 2015

Any cancellation or replacement must be conveyed in writing to the organiser. Cancellation received on or before 19 Mar 2015: Full refund (less off bank charge). Cancellation received between 20 March 2015 – 20 April 2015: Refund of 50% of the workshop fee. Cancellation received on or after 21 April 2015: No refund. Registration can only be confirmed upon full payment. CenMED reserves the rights to change the date / timing / location etc.

**SMC CME / CNE / CPE accreditation are being finalised**

Note for NUS Staff: This program is accredited with 1 elective hour by Centre for Development of Teaching and Learning (CDTL), NUS. For more details on CDTL accreditation, please contact Ms Doreen Thia at cdttty@nus.edu.sg Fax: (65) 6777 0342
