The National University of Singapore (NUS) invites applications for the position of Lecturer/Senior Lecturer, Alice Lee Centre for Nursing Studies (ALCNS), Yong Loo Lin School of Medicine. The Centre offers an undergraduate BSc (Nursing) programme and also enrolls postgraduate students at Master and Doctorate levels.

The applicant should
1. Have a PhD in Nursing or a health related discipline from a reputable university
2. Have a teaching qualification
3. Be eligible for full registration with the Singapore Nursing Board
4. Be able to teach a wide range of undergraduate and postgraduate programmes
5. Have an exemplary track record in tertiary education using innovative teaching strategies
6. Be able to supervise undergraduate students during clinical placement
7. Be able to secure a joint appointment with an industry partner
8. Have an interest to conduct research to improve patients’ and students’ outcomes

Preference will be given to applicants with expertise in Community Health Nursing, Paediatric, Mental Health and Gerontology.

More information about ALCNS can be obtained at http://medicine.nus.edu.sg/nursing/.

Remuneration will commensurate with the candidate’s qualifications and experience. Please submit your application, indicating current/expected salary, supported by a detailed resume and names of at least three referees to:
