

The National University of Singapore (NUS) invites applications for the following appointments in the **Alice Lee Centre for Nursing Studies**, Yong Loo Lin School of Medicine. The Centre offers an undergraduate BSc (Nursing) programme and also enrolls postgraduate students at Master and Doctorate levels. Appointments will be made on a three-year contract basis in the first instance.

Assistant Professor/Associate Professor/Professor

Applicants should:

- possess a PhD in Nursing or a related discipline
- be a Registered Nurse eligible for registration with the Singapore Nursing Board
- have a strong research and publication record
- demonstrate excellence in nursing teaching, research, practice and service for positions of Associate Professor and Professor

Preference will be given to applicants with expertise/interest in Critical Care, Cardiovascular, Oncology and Aged Care Nursing.

Nurses with qualifications and an interest in Anatomy, Immunology, Microbiology, Pharmacology and Physiology are also encouraged to apply with a view to a joint departmental appointment. Joint appointments for clinical practice and teaching/research are also available.

More information about the Centre can be obtained at <http://medicine.nus.edu.sg/nursing/>

Remuneration will be commensurate with the candidate's qualifications and experience. Please submit your application, indicating position applied for and current/expected salary, supported by a resume and names of at least 3 referees to:
