

**National University of Singapore**  
**Yong Loo Lin School of Medicine**  
*Alice Lee Centre for Nursing Studies (ALCNS)*

**Research Assistant (Part or Full time)**

[Appointment period: 8 months in the first instance, with a possibility of extension]

**Duties**

The appointee will assist the project leader in the project funded by the East Asian Development Network (EADN) – “Exploring the impact of socioeconomic instability and availability of health resources on infant mortality rates in Indonesia, Myanmar, and Singapore from 1969 – 2008 (Ref: EADN2008)” and will be required to:

- (a) Oversee the general management of the project;
- (b) Provide administrative and secretarial support to project meetings;
- (c) Conduct literature review; and
- (d) Assist in preparing both progress and final reports of the project.

**Qualifications**

Applicants should have:

- (a) A good first degree preferably in health/economic or related disciplines;
- (b) Experience in conducting literature review;
- (c) Knowledge of personal computer applications, e.g. SPSS; and
- (d) Knowledge of read/write either Indonesian or Myanmar languages are in advantages.

Preference will be given to those with experience in project management and research. Salary offered will be commensurate with qualifications and experience. Informal enquiries are welcome and should be made to Dr. Moon-Fai Chan, Assistant Professor, ALCNS, at Tel no. +65 65168684, fax no. +65 67767135, or E-mail: [nurcmf@nus.edu.sg](mailto:nurcmf@nus.edu.sg).

**Formal application:** Please submit your application, indicating **current/expected** salary, supported by a resume and full contacts of **at least one referee** to:
