Incorporating the FRCS (Ortho) Preparatory Course

**Preliminary Announcement**
19 - 23 February 2018

http://medicine.nus.edu.sg/os/postgraduate/index.html

**VENUE:** NUHS Tower Block, Level 11, Seminar Room 1E Kent Ridge Road, Singapore 119228

**Organized By:** Department of Orthopaedic Surgery
**Supported By:** National University of Singapore National University Hospital Residency Advisory Committee for Orthopaedic Surgery

CME Points will be accredited for the Course

A member of the NUHS
This 5 day Course is designed for higher surgical trainees in orthopaedics as well as basic surgical trainees with a keen interest in Orthopaedics. The Course will provide a comprehensive review of the syllabus in FRCS (Orthopaedics). It is designed to cover the topics through enlightening and stimulating lectures, and a set of clinical practice sessions. Most importantly, there will be plenty of interactive viva and mock clinical examinations.

**COURSE DESCRIPTION**

Highlights of the Course include:

1. Viva on anatomy and surgical exposures of the upper limb and lower limb.
2. Mock clinical examinations covering sports, spine, knee, hip, shoulder and hand.
3. Viva and mini-lectures on the basic science of materials (wear and polymers).
4. Viva and OSCE session on pathology and histology on bone tumours.
5. Update on articular cartilage, nerve and plexus injury.
6. Interactive sessions on statistics and journal critique.

Comments from Past Participants

"Very examination-oriented!"
"We loved the interactive sessions!"
"The mock clinical examinations were superb"
"We will definitely recommend this course to our juniors!"
