This 5-day Course is designed for higher surgical trainees in orthopaedics as well as basic surgical trainees with a keen interest in orthopaedics. The Course will provide a comprehensive review of the syllabus in FRCS (Orthopaedics). It is designed to cover the topics through enlightening and stimulating lectures, and a set of clinical practice sessions. Most importantly, there will be plenty of interactive viva and mock clinical examinations.

COURSE DESCRIPTION

Highlights of the Course include:

1. Viva on anatomy and surgical exposures of the upper limb and lower limb.
2. Mock clinical examinations covering sports, spine, knee, hip, shoulder and hand.
3. Viva and mini-lectures on the basic science of materials (wear and polymers).
4. Viva and OSCE session on pathology and histology on bone tumours.
5. Update on articular cartilage, nerve and plexus injury.
6. Interactive sessions on statistics and journal critique.

I wish to register for the 40th Postgraduate Course in Orthopaedics. Enclosed is a bank draft/cheque for:

- SGD 1400.00 - Local
- USD 1400.00 - Overseas
- SGD 1200.00 - Returning Participants from 39th Postgraduate Course (Local)
- USD 1200.00 - Returning Participants from 39th Postgraduate Course (Overseas)
