

NUS Medicine Awards 2020

Yong Loo Lin
School of Medicine

CONGRATULATIONS to the recipients of NUS Medicine Awards 2020!

This ceremony recognises and celebrates the success and efforts of our employees' outstanding commitment and contributions to research, teaching and mentorship. Often going above and beyond the call of duty, these dedicated individuals have done NUS Medicine proud.

Faculty Teaching Awards

(Teaching Excellence Award / Educator of the Year Award)

This annual award recognises faculty members who have shown a high level of performance, dedication and commitment to teaching. It also serves as an indication of the importance the institution accords to teaching.

Teaching Excellence Award

Recipient

A/Prof He Hong-gu
A/Prof Serena Koh Siew Lin
A/Prof Wang Wenru
Dr Chan Yah Shih @ Erean Chen
Dr Loh May-Han
Dr Pan Ling Te Terry
A/Prof Srinivasan Dinesh Kumar
Dr Inthrani Raja Indran
Prof Reshma Taneja

Graduate Mentor of the Year Award (GRAMAY)

This award honours and celebrates faculty staff for their excellence in graduate mentorship and the professional development of graduate students at NUS Medicine. The award is given to recognise the important key roles played by the faculty staff in inspiring and nurturing future biomedical- and clinician-scientists.

Best Graduate Research Publication Award

This award started in 2010 to recognise graduate students for their excellent contributions towards research in the School. The award is given to honour the top graduate students who published as first author in high impact journals.

Recipient

A/Prof S Thameem Dheen
Prof Nicholas Robert John Gascoigne
Dr Deron Raymond Herr

Department

Anatomy
Microbiology & Immunology
Pharmacology

Recipient

Dr Dominic Paul Lee Kok Sheng
Miss Nguée Yee Teng Samantha
Miss Natasha Vinanica
Dr Lu Guang

Paediatrics
Physiology

Yeoh Seang Aun Prizes (in Tuberculosis and Infectious Diseases) - Graduate Prize

This award honours the graduate student with the most outstanding research work done in tuberculosis and/or infectious diseases.

Outstanding Research Fellows Award

This award recognises the efforts and achievements of Research Fellows who have demonstrated excellence in research, service, mentoring and leadership, thus making a significant positive impact at NUS Medicine, and the scientific community at large.

Recipient

Mr Saravanan S/O Gunaseelan

Department

Physiology

Recipient

Dr Tan Kai Sen (Winner)
Dr Lim Tingsen Benson (First Runner-up)
Dr Teoh Phaik Ju (Second Runner-up)

Department

Otolaryngology
Paediatrics
Medicine

Outstanding Mentor Award for Research Fellows

Some of the most critical mentors in science often go unrecognised. This award aims to celebrate Research Fellows in our community who have demonstrated outstanding commitment, effectiveness, and effort to consistently nurture and support the development of their mentees (students and /or research staff).

Recipient

Dr Chong Shu Yun Phyllis
Dr Teoh Phaik Ju
Dr Wong Lik Wei
