他们的家人，  
以理解化作无声的支持；  
默默成全，静静托付，  
让爱跨越别离的瞬间。

愿我们长记心间——  
这份珍贵的机缘！  
承蒙厚惠，心怀感恩；  
生命相连，传承不息。

唯有敬意与仁爱，  
方能承载这份崇高的馈赠。

生若星辰，逝若光华；  
躯体虽逝，教诲涓涓流。

Their families:  
their silent assent,  
a form of love stretching past goodbye,  
love that bridges life and loss.

May we carry with us,  
this rare, precious crossing of paths,  
with grateful hearts.

Through lives entwined,  
legacy held in mind,  
may reverence and compassion  
be the hands that bear it onward.

Alive, they shine as stars,  
in passing, their glow drifts far.  
The body rests, still,  
yet its teachings ripple on,  
through time's eternal embrace.

# SILENT MENTOR APPRECIATION CEREMONY

*Though their hands will never move again,  
their touch lingers in every life we will one day hold.*

*This is our promise to them,  
to carry their legacy in our hearts,  
and to honour their gift through every act of care.*

*On behalf of the Class of 2029,  
we would like to express our deepest gratitude for the profound generosity  
and selfless sacrifices of our Silent Mentors and their families.*

*Your gift has allowed us to learn, grow,  
and understand the human body in ways that words can scarcely describe,  
a gift of knowledge, compassion, and humanity that  
we will carry with us throughout our medical journey.*

*Thank you.*
