CHINESE OPPORTUNITIES FOR OVERSEAS INNOVATORS /TALENTS

? Why choose China

Why now ?

How to capitalize on these opportunities if

- ▶ I don't speak Chinese
- ▶ I have no Guanxi in China
- ▶ I cannot drink Maotai
- ▶ etc.

COME TO OUR SHARING SESSION FOR SOME ANSWERS TO THESE QUESTIONS AND THE KNOWHOWS TO NAVIGATE THE TECH SPACE IN CHINA.

GUESTS

Dr WANG YU Ex-NCC scientist

- ▶ Current CTO of Precision Genomics Biotechnology
- ▶ China's National special entrepreneurial talent

LINDA

- ▶ General Manager of HAIJIAO TECHNOLOGY
- ▶ Excellent Talent HR Manager of Zhejiang Province

HAIJIAO TECHNOLOGY

- Expert team with over 12 years' experience in providing quality service to overseas high-level talents and project services.
- Extensive knowledge and resources on available positions, relocation and settlement support, children's education and policy support.
- Tailor to the individual needs of each talent.

AGENDA
