

Course Faculty

Dujeepa Samarasekera
Deputy Head
Medical Education Unit
NUS Yong Loo Lin School of
Medicine
National University Health System

Course Description

Evaluating the clinical performance of trainee doctors and health professionals', based on objective, valid, reliable and impactful assessment tools is important in current practice environments. This interactive workshop will explore current workplace-based assessment tools taking examples from best practices across the globe. It will include the workplace-based assessment tools, and also the opportunity to discuss the challenges faced when using these types of assessments.

**Competency Based Medical / Health Professional Education:
