

## 7th SMEC Workshop on: **Demystifying E-med II**

**SATURDAY, 20TH AUGUST 2011, 11.00AM - 12.30PM**  
**Seminar Rooms 7 & 8**

Have you always wanted to know what it is like to be working in an exciting yet high-strung environment such as that of the Emergency Department? Dr Tiah will share with you the highs and lows of being an emergency medicine physician while attempting to dispel some common myths about the job. This workshop will shed light on the broad nature of emergency medicine that requires problem-solving skills as well as its integral links with other health-related fields.

### Overview of workshop:

1. The working environment in ER – Reel versus Real
  - Light, Camera, Action!
  - Hunks and Babes
  - Tears and Fears
2. Job description of an ER doctor – What is the real deal?
  - Gatekeeper
  - Postman
  - Jack of all trades but master of none?
3. Beyond the doors of ER
  - Role in public health
  - Role in national crisis
  - Roles beyond the shores of Singapore
