

## 7th SMEC Workshop on: **Pandemics I**

SATURDAY, 20TH AUGUST 2011, 11.00AM - 12.30PM  
CRC Auditorium

Prof Paul Anantharaja Tambyah is well known for his role and passion in the field of Infectious Diseases. He has also represented medicine for many Med-Law debates and this SMEC, he will be chairing a debate between senior medical students.

Students will get an insight as to the viewpoints and experiences of medical students themselves as they debate on the motion 'Medical Students Should Be Allowed To Do Their Postings (i.e. M4s in their overseas attachments) During A Pandemic'. During the H1N1 outbreak, year 4 students were disallowed to do their electives overseas, see what your seniors have to say about this issue.
