

Learning Outcomes and Entrustable Professional Activities (EPA)

Feedback from past participants...

"Better understanding of EPA and the difference between milestones and EPA"

"Good mix of participants"

Course Description

Today, an outcome-based education (OBE) model is strongly advocated for the design and delivery of 21st century health professional curriculum: the professional competencies required for future practice are defined in terms of the intended learning outcomes (i.e. the knowledge, skills, attitudes) formulated from and aligned to the end-product capability (i.e. the desired attributes of the end-product) identified. Learners need to provide evidence of having acquired the desired professional competencies by passing examinations which use assessment tools (e.g. MEQs, OSCEs) designed for such a purpose.

However, in the clinical setting (i.e. in the work environment), it is recommended that learners need to show evidence that they have acquired desired professional competencies by independently performing a given set of professional tasks, after a period of learning under supervision. Such 'professional tasks' performed by the learner independently are referred to as the 'Entrustable Professional Activities (EPAs)'. Workplace-based assessments tools (e.g. Mini-CEX, DOPS) should be used for assessing EPAs.

Workshop Objectives

This workshop will:

- discuss the *key features* of EPAs
- provide participants with hands-on experience on how to *formulate EPAs* in their respective disciplines
- describe *how to develop a blueprint* for EPAs closely aligned to the professional competencies identified
- create opportunities for participants to *practice blueprinting* for the EPAs formulated in the different disciplines.

Lead Faculty

Dujeepa Samarasekera
Director, CenMED
NUS Medicine
National University Health System

Facilitators

Gominda Ponnampereuma
Assistant Director, CenMED
NUS Medicine
National University Health System

Denise Goh

Associate Professor, Dept of Paediatrics
NUS Medicine
National University Health System

Lee Shuh Shing

Medical Educationalist, CenMED
NUS Medicine
National University Health System

DATE: 21 March 2018, Wednesday

TIME: 9.00am - 5.00pm

VENUE: National University of Singapore,
Multipurpose Hall (MPH) 1, MD 1,
12 Science Drive 2,
Level 3, Singapore 117549

Registration Fees

NUHS STAFF - S\$204*
(Including staff on clinical faculty/adjunct scheme)
Others - S\$230*

*Fees are inclusive of GST
Registration is on a first-come-first-served basis

To register, please go to:
<http://medicine.nus.edu.sg/cenmed/wsreg/>
Phone: (65) 6516 1522 / 6516 2332
Fax: (65) 6872 1454

***Closing date of registration: 21 Feb 2018**

SMC CME / CNE / CPE accreditation are being finalised

Cancellation received on or before 20 Jan 2018 : Full Refund (Less off \$50 admin fee). Cancellation received between 21 Jan to 19 Feb 2018 : Refund of 50% of the workshop fee. Cancellation received between 20 Feb to 21 Mar 2018 : No refund. Any cancellation or replacement must be conveyed in writing to the organiser. Registration can be only confirmed upon full payment. CenMED reserves the rights to change the date / timing / location etc.

Note for NUS Staff: This program is accredited with 1 elective hour by Centre for Development of Teaching and Learning (CDTL), NUS. For more details on CDTL accreditation, please contact Ms Doreen Thia at cdtty@nus.edu.sg Fax: (65) 6777 0342
