Department of Neurology  
National University Hospital

### **Dr Kenneth Ban**

Senior Lecturer  
Department of Biochemistry  
NUS Yong Loo Lin School of Medicine  
National University of Singapore

## Synopsis

Technology in Medical Education is widespread and increasingly pervasive. While meant to enhance education, its use has garnered both its share of detractors and avid supporters.

Join our panel of seasoned educators as they share their experiences and views on:

- Usage of technology in pre-clinical and clinical education
- The impact it brings to teaching and learning
- Getting the balance right

**Date** : 27 April 2018, Friday
