

Foundations in Health Professions Education (FHPE)

September 2021

(Register by 16 Aug 2021)

Course Reference Number: SkillsFuture Singapore (SSG)-Funded (CRS-N-0050291)

Organised by the NUS Yong Loo Lin School of Medicine, Centre for Medical Education, this course is designed to provide foundational knowledge and skills for faculty & administrative staff who teach, develop and manage educational programmes in the healthcare sector. It aims to develop competent healthcare educators who are able to make the best evidence educational decisions such as curriculum development, assessment, quality assurance and leadership. The course will be conducted via interactive mini-presentations, small group case discussions & role playing.

The course is structured into two parts in which learners will have to complete 5 online modules and 1 face-to-face workshop.

5 ONLINE MODULES

- Curriculum Organisation
- Delivery of Instruction and Evaluation
- Assessment and Feedback
- Supporting Learners
- Scholarship of Teaching and Learning

1 FACE-TO-FACE WORKSHOP (select ONE)

HEAR FROM OUR PAST PARTICIPANTS

Workshop: Interactive Teaching - Learning Strategies in Small and Large Group Settings

"This workshop manages the practical aspects of conducting large and small group teaching. The facilitators were excellent in sharing their experiences. Highly recommended for new and would-be tutors."

2020 Participant, NUHS

"Powerful reflections on medical teaching. The course made me think carefully on how I teach in clinics."

Stella Chai, NUP

HEAR FROM OUR PAST PARTICIPANTS

Workshop: Leading and Managing in Medical Education

"The course makes complex principles in medical education and leadership easy to understand. A very good introduction to healthcare education and faculty development."

Derek Li, Raffles Medical Group

"This course is very relevant for those who are in or are about to enter leadership positions in medical education. Case discussions are interesting. The trainers are extremely experienced and engaging."

Matthew Chen, NUH

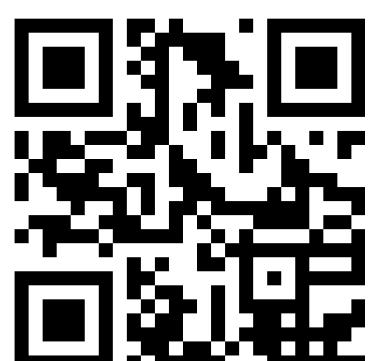

OUR TRAINERS

Participants will be able to engage in comprehensive discussions with our multidisciplinary team of trainers who are experienced medical educationalists, qualified clinical, allied health and nursing educators.
