

Block 3

Leading for Excellence in HPE

Course Description

This module is tailored for leaders and aspiring leaders in health professions education (HPE) to develop the knowledge and skills necessary to drive excellence in educational practice and institutional outcomes. Delivered through a flipped classroom model, the module combines online learning and face-to-face (F2F) interactions, fostering a comprehensive understanding of leadership principles and their practical application in HPE contexts.

Workshop Objectives

1. Apply the principles and frameworks of programme evaluation and quality assurance in HPE.
2. Identify and mitigate potential risks in programme delivery and administration.
3. Discuss best practices leading and managing and apply these to HPE context.
