Pre-Conference Workshop

Wednesday 8 January 2020, 8.30am – 12.30pm

MD6, SMART Classroom, Level 4, NUS Yong Loo Lin School of Medicine

W1A7: Contemporary Medical Learning: A Future-Focused Methodology for Outcomes-Driven Active Learning Design

Please note that Ms Jo Varney will be replaced by Ms Diana Reeks for the above workshop (see below for Ms Reeks's bio).

Diana Reeks

Medical Learning Partner, Union Chimique Belge (UCB), Australia

Ms Reeks is a driven, dynamic and highly successful business leader, working with organisations across International Markets and APAC. She demonstrates extensive experience in driving strategic learning solutions to increase professional competencies and performance. She achieves this through her innate ability to lead, coach, and design and facilitate sales and medical training ensuring professionals achieve their best and deliver exceptional results.

Throughout her career she have built a reputation in identifying new business opportunities and leading teams to exceed sales targets, growing the business and exceeding market share expectations, while ensuring customer facing excellence. She is passionate about enhancing the quality of the customer experience to drive tangible business outcomes. She is recognised as an effective communicator and engaging facilitator who is resourceful, action oriented with a big picture approach.

Pages 2, 13, 38, 48, 119 and 211
