

Steps to online Registration (Part One)

1. Access the pre-registration system at <https://myregistration.nus.edu.sg/>
2. Select the option "Using Application number and Password/PIN", click Next button.

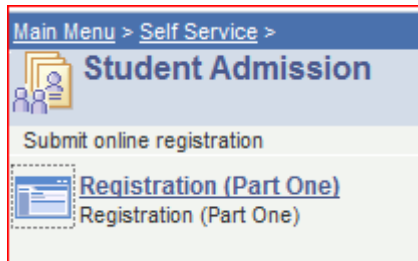

The screenshot shows the NUS logo and the text "National University of Singapore". Below this is the heading "Registration (Part One) for New Students". A form contains two radio button options: "Using Application number and Password/PIN" (which is selected) and "Using Registration ID & Password". A yellow "Next" button is positioned below the options.

3. Enter your **GDA application number** without 'C' prefix in front and **password** (Password you used in your application via GDA2).
4. For Student Category, select **Graduate** from the dropdown list and click 'Sign In' button.

The screenshot shows the NUS logo and the text "National University of Singapore". Below this is the heading "Registration (Part One) for New Students". A form contains three input fields: "Application Nbr:" (text input), "Application Password/PIN:" (password input), and "Student Category:" (dropdown menu). A yellow "Sign In" button is positioned below the input fields.

- After you have login, please click on the link "Registration (Part One)" on the left panel. It will bring you to NUS Student Registration (Part One) page.

- On the NUS Student Registration (Part One) page, you have to click on the respective links for the verification of details under each step. For e.g.: At [Personal Information](#) link, [please check](#) your particular details like name, NRIC etc are correct. You will need to **click "PROCEED TO ADDRESSES" to save this page and proceed to the next step.**
- Please ensure that you check all the details in each link and respective components must be marked as completed.

8. Once you have completed the online Registration Part 1, you can retrieve your [Student ID](#), [PIN](#) and [NUSNET ID and NUSNET Password](#) from the same system. **Please save this information for future reference.** Your NUSNET ID can be used to access a variety of NUS online resources, including your [NUS Email](#), [LumiNUS](#) and [NUS Education Records System \(EduRec\)](#).

It is important that you keep your NUSNET ID information and Student PIN strictly confidential as you are responsible for maintaining the security of your NUSNET password / PIN and for all transactions under your account.

The screenshot displays a web interface with a blue header bar containing the text "Student ID/PIN/NUSNET ID/NUSNET Password". Below the header, there are four rows of text, each followed by a blurred input field: "Student ID:", "PIN:", "NUSNET ID:", and "NUSNET Password:". Below these fields, there is a line of text: "You may wish to print a copy of this page for reference. To print, go to File >> Print." This is followed by a bold paragraph: "You will require your Student ID/PIN/NUSNET ID/NUSNET Password for access to a variety of online resources via the NUS intranet. Please keep the above information strictly confidential as you are responsible for maintaining the security of your PIN/NUSNET Password and all functions performed from your account. Sharing or revealing your PIN/NUSNET Password may result in disciplinary action taken against you." Below this is another bold paragraph: "Please note that your NUSNET account will only be activated 1 to 2 days after you complete your Registration (Part One)." This is followed by a paragraph: "Before you can access NUS Email, NUS Integrated Student Information System, module registration systems, IVLE and other NUS online services, you are required to first change your default password at <https://exchange.nus.edu.sg> by clicking on "Change NUSNET Password"." The final paragraph states: "Your NUSNET account cannot be used to login to NUSOPEN wireless network. Please use the more secure and faster NUS wireless network instead." At the bottom center of the page is a green button with the text "RETURN TO MAIN MENU".

9. You are required to **change the default NUSNET password** via the NUS Password Portal (<https://exchange.nus.edu.sg/passwordportal/>)

Please do remember to save your NUSNET ID and new password as you will require them to access LumiNUS system to download lecture notes and access to the online assessments.
