ROOM**

Dr Zhong Youjia, MD, PhD

DEPARTMENT OF PAEDIATRICS,
YONG LOO LIN SCHOOL OF MEDICINE,
NATIONAL UNIVERSITY OF SINGAPORE

CHAIRPERSON: ASSOCIATE PROFESSOR, SYLVIE ALONSO

*All are
welcome!*

Biography :

Dr Zhong Youjia is a paediatric clinical immunologist in NUH, specialising in managing children with inborn errors of immunity. Her research interest is in vaccine immunology and has recently started a research programme in translational paediatric vaccinology. She is interested in the immune correlates of protection in paediatric infectious disease, as well as innate immune responses which precede immunological memory formation.
