Medicine
Class of 2021

Recipient of the
Mount Elizabeth
- Glenagles
Scholarship
2018/19

“ I would like to extend my gratitude to the generous donors who have been so gracious in funding their resources and time to our medical education. It has enabled my friends and I to focus on our studies and provided us opportunities to embark on overseas endeavours to broaden our perspectives and do our part for the less privileged. I find myself having grown holistically with these experiences and hope to pass down the same culture of giving to the future generations. ”

“ This scholarship has definitely alleviated the financial burden at home, reducing my worries about taking up freelance part-time jobs to earn extra pocket money for additional expenses. Also, with this extra time and mental space, I was able to better focus on my studies and engage in additional research projects. ”
