

Motivational Interview Training (MINT) for Health Professionals

Get Your MINT for a Day to Discover Your MI Skills

OVERVIEW OF THE PROGRAMME

With the growing incidence of chronic diseases in Singapore, there is a need to ensure and enhance patient compliance to treatment.

This course will enable health professionals to use relevant and related skills to motivate patients to change behaviour and adopt habits to promote well-being.

- Identify Motivational Interviewing (MI) as a counselling style
 - Understand the foundation principles of MI skills
 - Apply the MI skills to case scenarios
 - Engage MI demonstrations via live examples
 - Demonstrate core interviewing skills with OARS

WHO SHOULD ATTEND

- Healthcare professionals such as nurses and allied health professionals who engage in patient education and developing competencies of students and professionals.

DURATION OF COURSE

- 1 Day

Course Date:
8 June 2022
9am - 5pm

Applications Open
till 22 May 2022
