

OSTEOPOROSIS MANAGEMENT (ADVANCED)

Programme Code: TGS-2020507536 (SSG-Approved Course)

SATURDAY, 2 OCTOBER 2021 | 8.00AM – 5.15PM
SUNDAY, 3 OCTOBER 2021 | 8.00AM – 1.00PM

REGISTER BY
17 SEPT 2021

This course will be conducted via Zoom.

CME, CNE & Endocrine Core Points Available

Jointly organised by the NUS Yong Loo Lin School of Medicine, Division of Graduate Medical Studies and the Osteoporosis Society Singapore, this advanced osteoporosis management course aims to educate healthcare professionals in the community with essential knowledge on how to screen, diagnose and treat osteoporosis more efficiently. It is based on the Osteoporosis Essentials Course which was developed jointly by the International Osteoporosis Foundation (IOF) and the International Society of Clinical Densitometry (ISCD).

WHO SHOULD ATTEND

- Primary care physicians, hospital generalists and specialists, nurses and pharmacists with a high interest in learning about osteoporosis are welcome to attend.

PREREQUISITES

- Learners must possess either one of these qualifications: MBBS / BSc Pharmacy / BSc (Nursing) / Diploma in Nursing / BSc (Diagnostic Radiography and Imaging) / Specialist Diploma in Radiology Nursing, or their equivalent with at least 3 years of full-time clinical work experience.
