

Mr Choy Siew Kai

Choy Siew Kai has over 30 years of experience in investment management. He retired from Singapore's sovereign wealth fund, GIC Private Limited, as Managing Director after 20 years of service. At GIC, he was also a member of the Corporate Management Committee and Group Risk Committee. He held key leadership positions in Equities, Risk & Performance Management, enterprise Data & Analytics, Governance and GIC Innovation Labs.

In 2019, Siew Kai moved to Silicon Valley for a year at Stanford University's Distinguished Careers Institute (DCI) Fellows program. He is a board director of a large cap (>US\$10bn) US public listed company and an independent investor and/or advisor to listed and private companies across Banking, Fintech, Regtech and DeepTech located in Singapore, United States, United Kingdom and Europe. He has a deep interest on the impact of the 4th Industrial Revolution (especially cyber-physical/bio/social systems) on industries, business models and jobs.

He has a long-time commitment to serving in church and community organisations at the national and local levels and is on the Board of management of St. Andrew's Mission Hospital and the Management Committee of St. Andrew's Nursing Home. Siew Kai holds a BSc in Computer Science and Management Science (joint honours) and has attended The Wharton School's Advanced Management Program for Senior Executives.
