

# Cataract Detection & Post Surgery Care

*Insights & Hands-On Workshops for Community Optometrists*

**JOIN OUR INAUGURAL RUN!**

**Accredited by Optometrists & Opticians Board (16 CPE Points\*)**

*\*Participants who attend only the lecture webinars will be awarded 6 CPE points.*

**7, 11, 14, 18 Mar 2023 (Tuesdays & Saturdays) | 8.30am - 12.30pm**

**Zoom and NUH Medical Centre, Lv 17, Eye Surgery Centre**

This four-half-day course aims to equip **community optometrists** with essential knowledge and skills in the areas of cataract detection and post-cataract surgery management.

You will learn to identify cataract patients using appropriate clinical assessment methods, obtain effective and informative communication skills on pre-cataract surgery counseling, gain insights on postoperative examinations and appreciate the different refractive and prescribing approaches for post-cataract surgery patients. The course training includes two online Zoom lectures and two hands-on workshops.

**1**

**Online Lecture**
